Taking Kashmir's
Heritage to the World

About Maison Pashme

At Maison Pashme, we believe every handcrafted product tells a story. Rooted in the rich cultural heritage of Kashmir, we work closely with skilled artisans to bring traditional craftsmanship to customers around the world. Our collection features hand-knotted carpets, luxurious Pashmina shawls, intricately carved walnut wood handicrafts, vibrant paper mache art, pure Kashmiri honey, premium saffron, and other authentic products that reflect generations of artistry and dedication.

As a trusted export partner, we are committed to delivering products that combine authenticity, quality, and reliability. Every item is carefully sourced, inspected, and prepared to meet international standards before it reaches our global buyers. Whether you're a wholesaler, retailer, importer, or private-label brand, Maison Pashme is dedicated to building lasting partnerships through exceptional products, transparent service, and a genuine passion for preserving Kashmir's timeless craftsmanship.
